Non-Technical skills: Leadership,Teamwork, Communication, Time Management, Problem-Solving, Public Speaking.
Languages Known : English, Hindi, Gujarati.

Education

Marwadi University   May 2021 - May 2025
B.Tech. in Computer Science and Engineering   *CGPA:9.53/10*

Shakti Higher Secondary School   May 2020 - April 2021
XII Science - Higher Secondary Education   *Percentage:80%*

Experience

Hackveda Pvt LTD, Delhi   May 2024 - August 2024
SQL Data intern (WFH)

- Orchestrated MySQL database setup and deployment, showcasing expertise in schema design and management, vital for structured data analysis.
- Engineered a RESTful web service using PHP, facilitating seamless data access and manipulation, demonstrating adeptness in API development crucial for streamlined data retrieval and integration.

Unified Mentor, Gurgaon   May 2024- July 2024
Business Analyst Intern (WFH)

- Conducted comprehensive analysis of Amazon sales data, implementing ETL processes to extract, transform, and load datasets. Generated insightful visualizations depicting sales trends on various dimensions including monthly, yearly, and yearly-monthly basis.
- Analyzed HR attrition data for Vrinda company, utilizing advanced statistical techniques to identify key drivers behind the high attrition rate. Developed an interactive dashboard to visualize critical insights, empowering stakeholders to make informed, data-driven decisions aimed at reducing attrition and enhancing employee retention strategies.

Dcycle Design Studio , Ahmedabad   May 2023 - July 2023
Web development Intern (WFO)

- Proactively pursued ongoing education to stay abreast of new emerging trends in the technology landscape.
- Contributed significantly to front-end development projects by converting design concepts into functional web pages using HTML, CSS, JavaScript, Bootstrap, and Sass, demonstrating a keen eye for design principles.

Project Work

- **Cricket Analytics-T20 World Cup Analysis (2024):** Led T20 World Cup data analytics project using Bright Data, Pandas, and Power BI. Extracted cricketing data from ESPN Cricinfo, transforming it for insights. Developed Power BI dashboards to analyze player performances and team dynamics, crafting optimal playing 11. Key elements: Bright Data, Pandas, Power BI, ESPN Cricinfo.

- **HR Analytics (2024):** Created HR analytics dashboard in Tableau, merging various data sources for strategic insights. Utilized KPIs like turnover rates and recruitment metrics to optimize HR strategies. Enabled interactive visualizations for comprehensive data exploration.

- **Restaurant Management System (2023):** Developed a user-friendly Restaurant Management System with HTML, CSS, Bootstrap, SASS, and PHP for web and Flutter with Dart for mobile. Simplifies operations for less-educated owners with intuitive interfaces. Key elements: HTML, CSS, Bootstrap, SASS, PHP, Flutter, Dart.

- **Tourism Management System (2023):** Built a Travel & Tourism Management System in Java with Swing for UI and JDBC for database connectivity. Streamlines travel agency operations with intuitive interfaces and seamless database integration. Key elements: Java, Swing, JDBC, Travel & Tourism Management System.

- **DV MART - Online Grocery Store (2022):** Developed E-commerce grocery website using HTML, CSS, Bootstrap for online product display, customer account management, and shipping logistics.

Certifications

- **Accenture North America** - Data Analytics and Visualization Job Simulation.
- **Tata group** - Data Visualization: Empowering Business with Effective Insights.
- **Quantium** - Data Analytics Job Simulation.
- **Accenture North America** - Project Management .
- **Oracle** - Database Programming with SQL.
- **Infosys** - The Complete Tableau BootCamp.
- **University of Michigan** - Programming for everybody (Python).
- **University of Michigan** - Python Data Structure.

Activities and Participation

- **Winner of Shark Tech 2024** at MU FEST by presenting a unique food business idea.
- **Campus Ambassador of NSS** (National Service Scheme) unit of Marwadi University received award for outstanding work from the hands of DM and Collector of Rajkot city Mr. Prabhav Joshi.
- Active robin at **RobinHood army Rajkot** (carried out various food drives, educating the poor, sweet donations on Diwali , clean India mission etc).
- Member of **Rajkot Cycle Club** (to promote use of cycles to save nature and improve health).
- Member of **Evolead Club** dedicated to fostering leadership skills and personal development among college peers.
- Organizing Team Member of **Hungrito Food Fest 2022** which hosted 15000+ people in 2 days.
